

de culinaire werkplaats

fresh, personal foods & goods

de culinaire werkplaats is a novel **eating initiative & experience**
located opposite amsterdam's culture park westergasfabriek.
it's a **blend** of a design studio, a workshop,
a restaurant, a cooking studio, a gallery, and some other 'secret'
ingredients.

we create contemporary dishes, bites, delicatessen,
new foods and sometimes even new ways of eating.
inspirational concepts, like 'black' or 'flowers', are guiding our
creative perspective on foods and eating.

in short,
we offer a fresh approach to what's happening on your plate
and you are invited to shake up your culinary lifestyle.

what can you do at de culinaire werkplaats?

eat'in in an informal setting
or make use of our take away service;

shop'in and buy from our ready-to-eat collection,
'green' pastry or tailor-made emotion.breads;

learn about contemporary cook'in by **work'in**;

or **book'in** our location for events that require an
out of the box setting and/or eating experience, as brainstorming,
product launches, weddings, press events.

looking forward to meeting you soon!!!
